Man Faces Charges In Two Sex Incidents

A 39-year-old Wyoming man has been charged with two counts of criminal sexual conduct for separate incidents at two Kent County drive-in theaters.

247 Roger William Robach, of 3655 Collingwood St. SW, waived examination on one charge of fourth degree criminal sexual conduct for a July 28 incident at the Cascade Drive-In Theater. Robach was arraigned on the charge (Aug. 5) by 63rd District Court Magistrate Gerard Shouse.

Robach waived preliminary hearing and entered a plea of innocent to the charge, which carries a

maximum penalty of two years.

According to the complaint, Robach used force or coercion to perform the alleged act with a male.

Robach was arraigned on the second charge Tuesday before 63rd District Judge Joseph B. White.

He pleaded not guilty to the charge of second degree criminal sexual conduct for sexually assaulting a boy under the age of 13 at the Plainfield Drive-In Theater July 16.

Robach was released on his own recognizance on both counts, and currently is awaiting trial on the charges in Kent County Circuit Court.

PERSONAL AND CONFIDENTIAL

SUBJECT: HARRY A. SPEERS, RODGER ROBACK, THOMAS BAYER

Dear Dick:

On August 8 I sent you correspondence concerning Harry Speer and Rodger Roback. In both cases we asked for Confidential Records Sheets as well as information on the completion of the trials that may have taken place. We are just following up at this time indicating that we must have this information so that we can build this file and close this case.

We received a Confidential Record Sheet on Thomas Bayer, but we never received any definite information on the incidents which took place recently.

Please tell us what the convictions concerned in 1972 and 1975. What had Mr. Bayer done to gain him this status?

The incident which you had mentioned recently in Kalamazoo should also be detailed so that we know exactly what took place, what type of an incident occurred and whether or not there will be a trial and sentencing. We must have this information if we are to maintain these individuals on our file and refuse registration.

Sincerely,

Paul I. Ernst, Director

SUBJECT: Harry A. Speers & Rodger Roback

Dear Dick:

In late 1982 we had some correspondence related to two individuals. We asked for confidential record sheets for these individuals so that we could identify them and make certain that they should be maintained on our confidential file and registration refused. We have not heard from you regarding these matters and this is a follow-up so that we may complete our files.

I am enclosing another confidential record sheet for Harry A. Speers. We would appreciate your completion of this so that we can identify Mr. Speers should he try to register with us again.

We would also like information concerning the trial which took place. Was he convicted or acquitted? If convicted, what was the sentence?

The second individual to which we referred was Rodger Roback. Here again, we received a newspaper clipping but we again need the outcome of the trial which should have taken place last fall.

I am also enclosing a confidential record sheet for Mr. Roback, which we must have completed so that we can identify him should he move to another location and attempt to register with the Boy Scouts of America.

We shall look forward to hearing from you so that we may complete these cases.

Sincerely,

PERSONAL AND CONFIDENTIAL

Dear Dick:

You recently sent me a letter relating to the registrations of three individuals, indicating that these people had not conducted themselves in a satisfactory manner this past summer.

We do not find any information in our files on Harry A. Speers. You have sent a newspaper article indicating that he has been charged. As soon as you have information on the outcome of any hearings or trials, we would like to have this information. This will enable us to set up a file and refuse registration in the future.

I am enclosing a Confidential Record sheet which we would appreciate having completed so that we may identify Mr. Speers in the future.

We also do not have any information on Rodger Roback for whom you also sent a newspaper clipping. As soon as any trials or other hearings have taken place, we need the outcome of such. Copies of the court record or newspaper clippings will be most helpful. A Confidential Record sheet is also attached for this individual.
